

DOCSIS Performance measurement in node with severe Ingress.

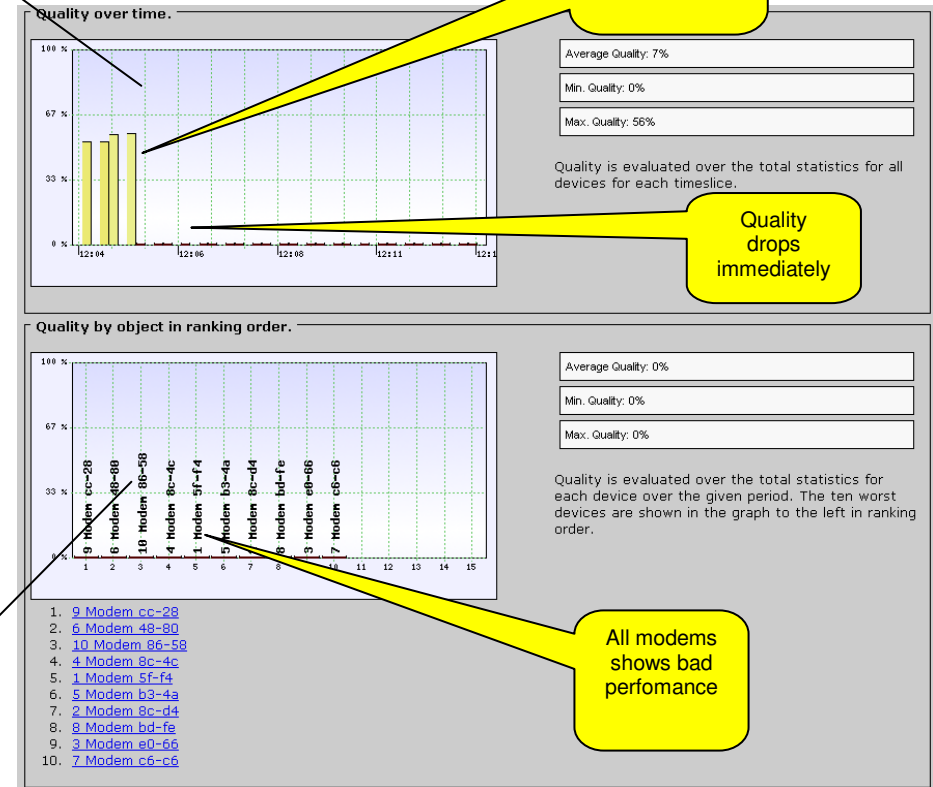

CAMS with Dynamic Ingress Blocking (dlb) deployed.

Comparison of quality measurements with Ingress/Noise reduction activated versus deactivated

Noise/Ingress Reduction Activated

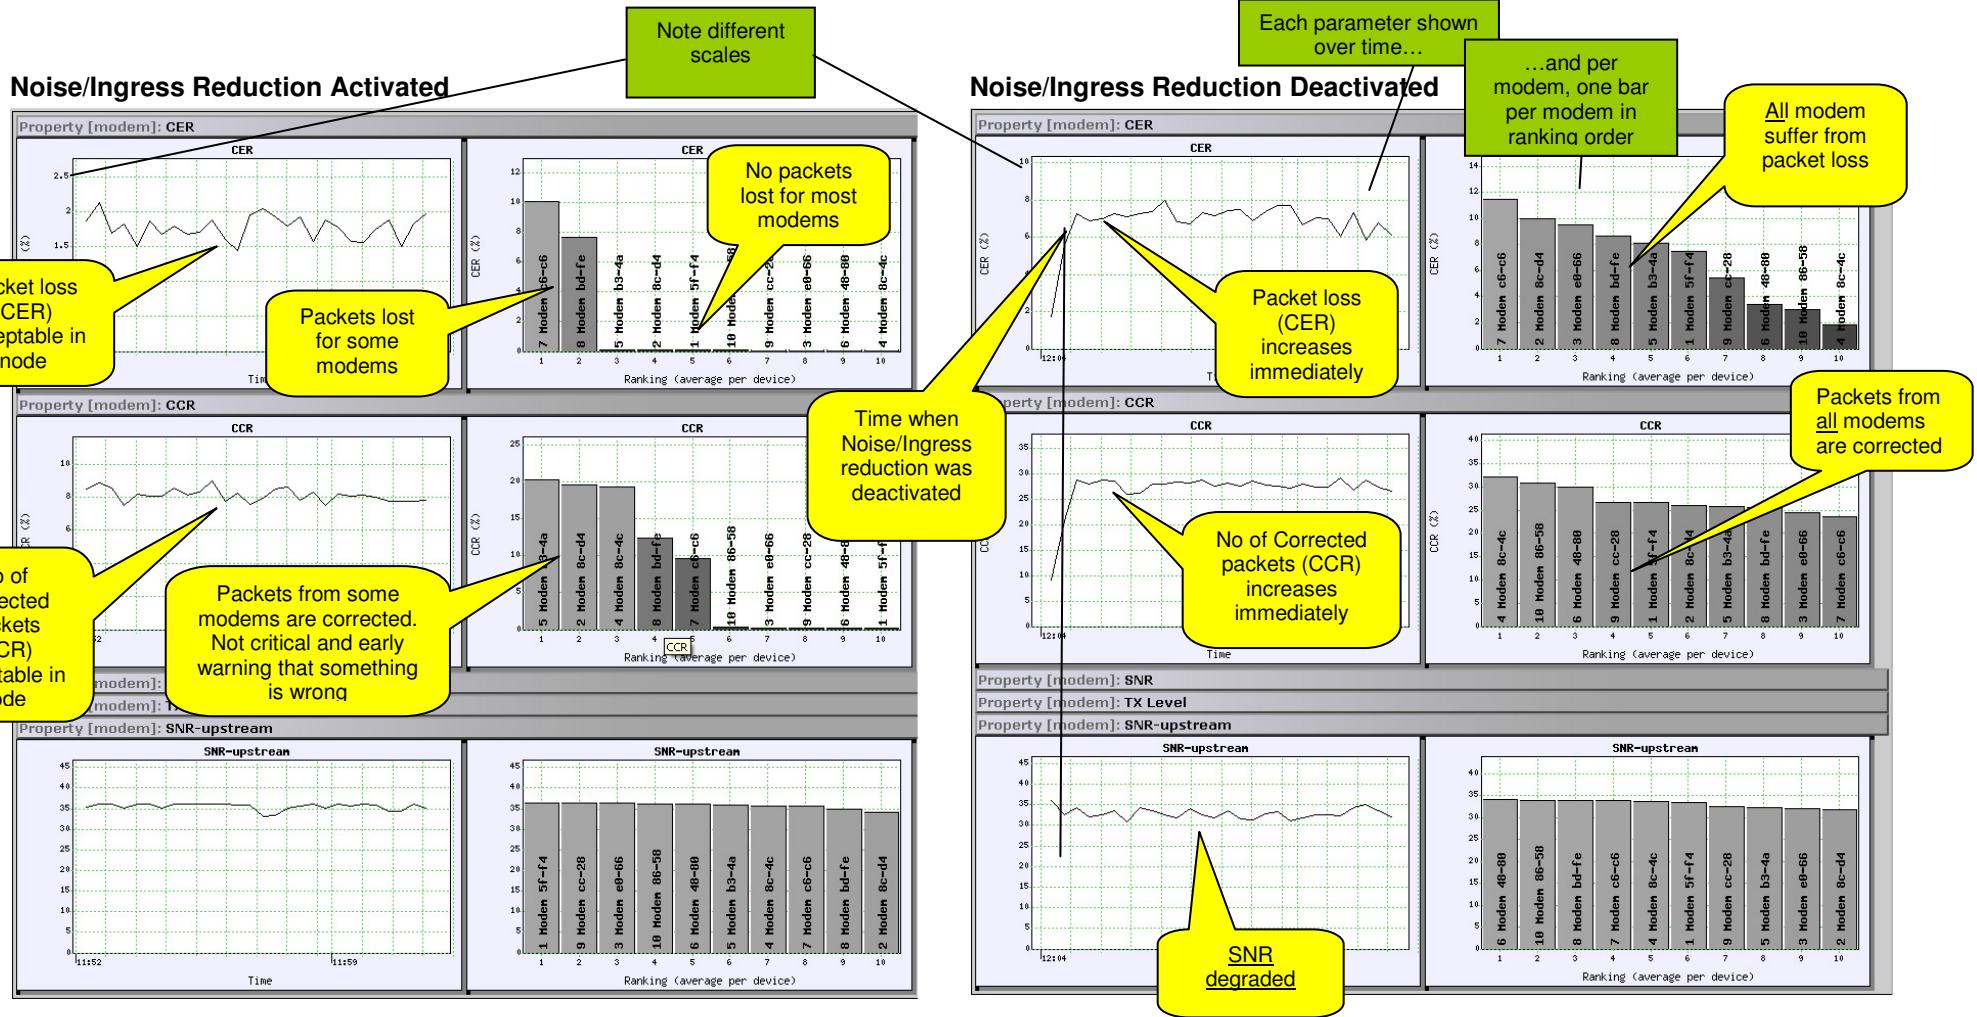

Noise/Ingress Reduction Deactivated

DOCSIS Performance measurement in node with severe Ingress.

CAMS with Dynamic Ingress Blocking (dlb) deployed.

Comparison of DOCSIS data measurements with Ingress/Noise reduction activated versus deactivated

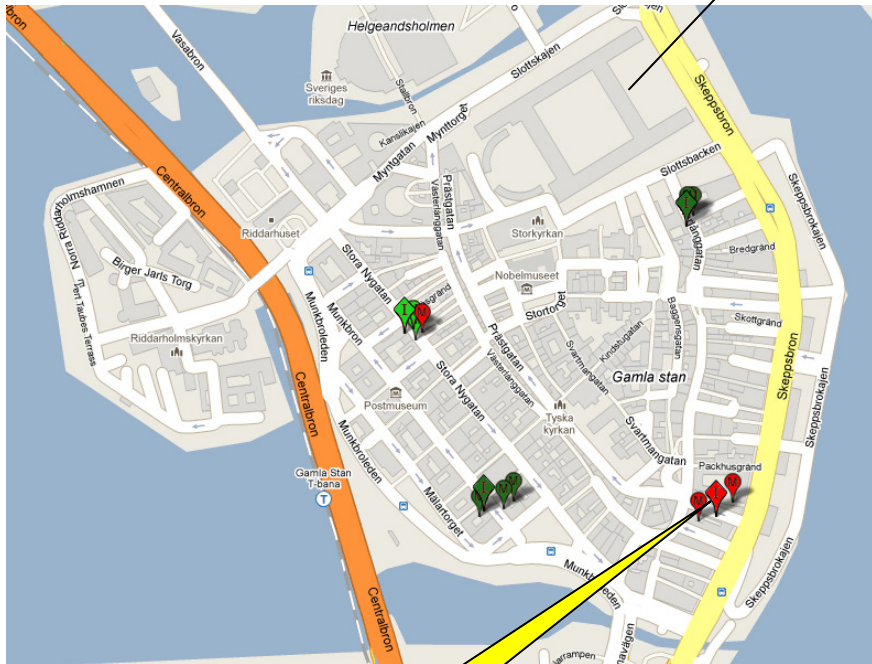

DOCSIS Performance measurement in node with severe Ingress.

CAMS with Dynamic Ingress Blocking (dlb) deployed.

Locating the Ingress Source with Ingress/Noise reduction activated versus deactivated

Mapping modems to geographical location

Noise/Ingress Reduction Activated

Ingress Source is here

Noise/Ingress Reduction Deactivated

Ingress Source is maybe here ?

Ingress Source is maybe here ?

Ingress Source is maybe here ?

Ingress Source is maybe here ?
